Support of College and Community

Entities owned by the Foundation
Appleton Museum of Art, College of Central Florida, is one of the South’s esteemed art museums. The Foundation has ownership and management responsibilities for $18.3 million in endowments and the $17 million art collection.

College Square apartment complex provides housing for up to 192 students on 17 acres. In 2012, the complex continued with high occupancy. Adjacent property owned by the Foundation includes two rental homes and five acres leased to Francis Marion Military Academy.

Special Collections to the Ocala Campus are housed at the Clifford B. Stearns Learning Resources Center.

The Enterprise Center, located at the Ocala Campus, houses collaborative partnerships for lessees, such as CLM Workforce Connection and the Patriot Job Connection, whose missions align with the college’s mission.

Partners and Affiliates

CF Alumni Affairs develops activities and programs for CF alumni and encourages members to maintain an ongoing interest in the college.

Friends of the Foundation members give generously of their time to support the college through Foundation events and projects in Marion, Citrus and Levy counties.

CF Retirees meet formally two or three times a year to maintain friendships and exchange college information.
