<sup>1</sup>Check university for specific math requirements

**Note:** You may apply to a UF program after completing A.A. and prerequisites. You will need to take the PCAT exam ([www.pharmcas.org](http://www.pharmcas.org))

(There are no associate or bachelor degrees in the medical fields. You will need to pursue a degree beyond this level.)

**Please see your advisor for information on course prerequisites and to determine proper initial placement in math and science.**
