I. RESERVATION:

- Vans may be reserved by the advisor of any chartered student club or organization for in-state travel during each current semester. It is best to call to check availability before filling out the form.
- Vans will be scheduled on a first-come, first-served basis.
- The **Van Reservation Form (OSL-1b)** must be completed and sent to the Office of Student Life well in advance of travel in order to secure a vehicle. A message indicating receipt of the form will constitute approval of the reservation until the date the travel paperwork is due to the OSL. Please see Procedure OSL-1 for travel paperwork deadlines. This form must reach the OSL no less than 10 business days before the date of departure.
- Day trips — the van will accommodate no more than 10 students and one driver
- One night — the van will accommodate no more than nine students with “light bags” and one driver.
- More than one night — arrangements will be made based on length of trip and number of students attending

II. CHECK OUT:

- Keys for the vans are available in the OSL. They may be scheduled to be checked out from the OSL any time on the business day of or the business day prior to the scheduled departure.
- The advisor or appropriate driver must pick up the keys in person to complete the check-out process.
- Each driver must present a valid Florida driver’s license for each trip. This will be copied and kept on file with the OSL.

- Each driver will sign the Van Reservation Form, indicating that they have read and will abide by the van guidelines.

III. RULES OF OPERATION:

- Drivers must be full or part-time employees of the college. Note that at no time may a student drive a college vehicle.
- Passengers must be current CFCC students and staff. A student that has graduated must sign a waiver form before they can ride in a college vehicle. Contact the Office of Student Life for an example of such waiver.
- All passengers must wear seatbelts at all times.
- Vans may only be driven to locations/distances according to travel paperwork specifications.
- Vans should remain locked at all times when not in use.
- There are emergency roadside assistance and first aid kits located in each van should they be needed.
- Please record the beginning and ending mileage of your trip, and turn this in when you return the vans.

IV. RETURN:

- Upon return from your trip, you will need to ensure that the vans are in the same condition in which you found them. There are cleaning supplies located in each van. The vans must also come back with a full tank of gas. It is recommended that this be done by filling them up on campus when you return. Other options that can be reviewed are the use of a college gas card or paying out of pocket with approved reimbursement.
- Vans are currently parked in lot No.71, in spots designated by Reserved Parking blocks. Please return them to this location.
- Keys and any paperwork shall be turned back in by the advisor to the Office of Student Life no later than the business day following the trip.
- Any damages caused by the driver or students will result in the club/organization covering such damages or repairs.

V. MAINTENANCE:

- The OSL is responsible for ensuring that scheduled and necessary maintenance is completed. All maintenance will be completed according to the recommended warranty schedule. Vans may be unavailable at times due to unexpected maintenance issues.
